## Economy MINI

Postbox  
**News 2008**

### Swedish security mailbox

Economy Mini is a new postbox with its origin from our earlier groundstanding model Economy.

Economy Mini is a postbox with a simple and modern design - the postbox has a storage capacity that easily stores several days of post.

Lock: Quality handle lock with 2 keys.

Economy has the access door on the front.

The inwards postdrop is to be found on this model.  
The mail slot has a magnetlock which makes the drop return to its start position every time.

Storage volume:  
35 litres with middle shelf.

Designed by: Magnus Bouveng  
Manufactured in Uppsala Sweden.

---

### Technical details:
